

HARNESSING
THE POWER
OF EXPERIENCE.

LOCALLY, NATIONALLY OR INTERNATIONALLY, TOGETHER WE THRIVE.

- At Cremer Spina, we build partnerships with each client that lead to creative and case-specific solutions.
- We develop an understanding of our client's business and its goals and apply that insight to our core knowledge and experience to achieve the desired result. We meld the practical with the technical, and common sense with complexity, to identify agreed strategies and solutions that serve the interests of our client. No two cases or clients are alike—each deserves a unique approach and individual attention, and that is what we provide.

"For complex matters that require real knowledge of a particular venue, the use of experts, or involve complex pleading and motion practice, Cremer Spina is a definite 'go to' firm for me."

Rich Schulz,
Senior Vice President
of Claims, EMC Insurance
Des Moines, Iowa
